Michael is the Bestselling Author of two books and a soon-to-be-released third book.

“Michael Losier was a keynote speaker during our Worldhotels Global Annual Sales Conference held in Guangzhou in January 2015. Enjoyed by over 400 hoteliers from around the globe, his high-energy and deeply moving speech was one of the highlights of our conference achieving highest notes. Also, Michael handed out books with his autograph to the great delight of the audience at the end of the session.”

“Michael was engaged by our client, a leading insurance provider to speak at their annual sales launch. The audience was made up of about 2,000 participants, the majority for whom English was a second language. Amazingly, Michael connected with everyone within the first couple of minutes; held their attention for the duration of the 2 hour training seminar and received 100% enthusiastic participation when he 'tested' them at the end. Absolutely spectacular!”
